

## **SLOVENIAN LIST OF DENATURANTS**

**Ref.: 426-05-1/2004/18**

**Date: 17.12.2004**

### **Alcohol denaturants** **for manufacturing of products not for human consumption**

Slovenian Excise Duties Act on the basis of Article 27 (1) (b) of the Directive 92/83/EEC determines four different combinations of components as alcohol denaturants for the manufacturing of products not for human consumption.

Denaturants, including the combinations and quantities of components per one hectolitre of 100% ethyl alcohol, are as follows:

#### **Denaturant 1:**

4000 grams of isopropyl alcohol (CAS N° 67-63-0)
500 grams of methylethylketone (CAS N° 78-93-3)
2 grams of denatonium benzoate (CAS N° 3734-33-6)

#### **Denaturant 2:**

0,8 grams of denatonium benzoate (CAS N° 3734-33-6)
78,8 grams of t-butyl alcohol (CAS N° 75-65-0)

#### **Denaturant 3:**

5000 grams of isopropyl alcohol (CAS N° 67-63-0)
78,8 grams of t-butyl alcohol (CAS N° 75-65-0)

#### **Denaturant 4:**

39,5 synthetic musk in xylene
78,8 grams of t-butyl alcohol (CAS N° 75-65-0)

If the abovementioned denaturants are for technological reasons not appropriate for manufacturing of products not for human consumption, a customs authority may authorize use of other denaturants.
